The fabulous students in Room 2 have worked so hard in the first five weeks of this term. Everyone is trying their best to settle into the routines of school life at Wattle Grove.

We have been impressed with the effort made by the children in all areas of learning and would encourage parents to reinforce this learning at home as much as you can.

Learning Foci:
- Writing our names,
- Correct pencil grip,
- Recognising the sound that our name begins with,
- Sounds Ss, Aa, Tt, Pp, Ii, Nn,
- Shapes,
- Colours,
- Numbers and counting 1-5,
- Living and non-living things and their needs,
- Families

A Note From the Teachers

The fabulous students in Room 2 have worked so hard in the first five weeks of this term. Everyone is trying their best to settle into the routines of school life at Wattle Grove.

We have been impressed with the effort made by the children in all areas of learning and would encourage parents to reinforce this learning at home as much as you can.

Parents, please encourage your child to greet teachers when they enter the classroom in the morning. We love to see your smiling faces ready to learn.

As part of our class rewards, students are asked to move their name peg from bug to bug and if they reach the green bug by the end of the day a small prize is given. Congratulations to those who have already earned a prize. If your child has not yet, please encourage them to continue to try their best. It won’t be long!

Our Parent Roster will be placed on our front door very soon. Please jot your name down for a morning or afternoon that suits you. Please ensure that you sign in at the office and fill out a confidential declarations form.

We love having parents in the classroom at the beginning of the day to encourage their child and have a look at work samples around the room. Please remember to leave promptly at 8:45am. If your child is becoming upset when you leave, the longer you stay the harder it is for them.

If you have any queries please do not hesitate to come and see any of us before or after school on any day except Tuesdays.

Pupil Free Day 4th March
Junior Assembly 18th March
Easter Break 25th—29th March
ANZAC Ceremony 8th April

AN INDEPENDENT PUBLIC SCHOOL

Term 1 Learning Focuses

Here are some of our learning foci for Term 1. Please ask your child questions, practise with them and discuss as many of the areas below as possible. The more you show interest in what they are learning, the more interested they become.

Term 1, Week 5 Official Newsletter of Room 2, Kindy at Wattle Grove Primary March 2016
First Day

Kindy Paintings

On our first day of Kindergarten we got to paint whatever we liked. We painted ourselves, our families, and lots of other things. We all love painting. Our teachers wrote down what our paintings were about. If you would like to see them please come into the classroom so we can show them off.

Working Together is Fun!

Our Literacy Blocks are off to a flying start. We are so organised and have been working really hard to produce our best work.

Our teachers are very impressed with the way we are working so well with each other.

We have been getting so good at writing our names that our teachers have been asking us to write them on the back of our work. Just ask us and we can show you how skilled we are! Using skills like cutting and gluing are also really important. We would love some more practice at these at home if there is time.
