

# THE LUNCH BOX MENU 2021–Term 3 Week 2-10

Place your orders online at QuickCliq before 8am  
@ - [www.quickcliq.com.au](http://www.quickcliq.com.au)

Orders can be placed anytime from now on for next canteen day, thank you to all the people who have been placing your canteen orders online.

If you are unable to volunteer your time to help in the canteen, a way that you can help us is by ordering your child's food orders online.

This process saves us time and enables us to focus on getting the orders ready.

Please remember when ordering, if you are NOT using the Online Order option, then orders are to be written on bags available in the room canteen baskets. These are located in each class room and completed orders need to be placed in the order file. Thank you

**Recess and lunch order MUST be written on separate bags.**

Orders should not be placed at the canteen counter.

**The Canteen is only open on Wednesday & Thursday**

As food is made to order, we are unable to provide hot lunches to children who have forgotten to place their order. A Vegemite or cheese sandwich will be the only option available in this instance.

Our school canteen is operated by the Parents and Citizens Association and although we have a Canteen Manager for its co-ordination, we rely heavily on volunteers for its day to day running.

Volunteers are needed from 8.45am – 1.15pm (or for a Recess or Lunch timeslot, we are very flexible!) In return you will find the atmosphere friendly, and a fantastic way to meet other parents over a tea or coffee and your children will love to see you. For volunteering, you get your lunch provided and a \$5 voucher to use to order lunch for your child.

At Wattle Grove Primary School our Canteen complies with WA Standards for Healthy Food and Drink Choices using the Traffic Light System  
Green (G) – Healthy Choices  
Amber (A) – Select Carefully  
Red (R) – Off the Menu

We are an Allergy Aware School.

Our aim is to provide a service to the school community and in turn help towards raising much needed funds for our school.

**Canteen Manager**  
Suzette Forrest - 0422 247 284
